Sparkling Peach

Nude peachy colors with a hint of glitters to add extra shine! Perfect for aesthetic picnic days in a warm, bright day in the mid of blooming flowers!

Pink Soda

Bright coral-pink for your fresh, energetic vibes. Colors as refreshing as a light soda during a casual evening bike ride.

Rose Mocktail

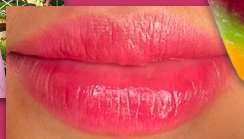

Neutral rosy pink for any occasion, including having a lunch date with your friends while eating pasta and drinking aesthetic mocktails!

Pome Milkshake

Muted mauvish pink color for my lips but better look. Perfect color like a sweet, refreshing milkshake that search for as a treat after a fun exercise

Berry Slushie

Cool-tone, berry color. Color is as refreshing as a cooling berry slushie that you'd get while strolling around the amusement park on a bright sunny day.

Frosty Cocoa

Mauvish-brown color. The color you'd wear on a cafe-hopping sessions to discover various types of your favorite drink: iced cocoa

Cola Float

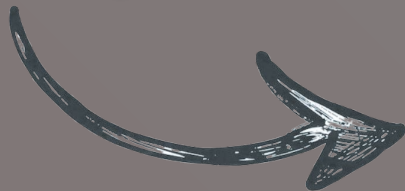

Reddish-brown color, like the color of a cold cola float you'd buy to accompany the popcorn on a movie date with friends!

Cherry Pop

Neutral cherry-red color, like a red sunglasses, red lollipops, or a cherry-red popsicles in warm sunny day!

With the success of our standalone launch of Lip Rescue Jelly Balm, we deep dive to deliver a perfected consumer experience within this emerging format through **improving use experience with the best optimization to deliver premium-affordable proposition and keeping up with relevancy.**

NEW APPLICATION SENSATION

The newly launched Lip Rescue Jelly Balm is a lip care product that offers medium color payoff, safe for both day and night use. However, some consumers remain hesitant to use it at night due to its pink shade, which they perceive as too bold for bedtime. We've observed that having a **clear-shade variant is essential to cater to those who prefer using lip care as an overnight mask.**
